Venue: Wedding Reception

"I just wanted to thank you & your band members for being so brilliant at our wedding on 31 August. I have had SO many compliments about you & rate you alongside my dress, the cakes; the venue as peoples' favourite aspects of the day.

I was wondering if you were playing at any public venue in the near future as I fancied coming along with my mates for a top without having to worry about a large silk dress being jumped on etc!" Sue & Richard & Cameron

"When we approached the band for my husbands birthday bash, we were provided with a demo CD which gave us a flavour of what was to come. We were delighted with the music, which surpassed all our expectations...fantastic, professional, varying eras of music and entertaining are all words I would describe the band with."

"We couldn't recommend your band highly enough. You really made our wedding reception perfect. You played exactly the sort of music we asked for and created a brilliant atmosphere. All our guests commented on how great you were and we are so glad we chose you instead of a disco as it really made the evening special"
